

Heating Instructions for Forester's Hall 2021

- Forester's Hall has four heaters located either side of the clock (one to the right-hand side and three to the left-hand side) for you to use if the weather is cold.
 - Full instructions are on the wall above and once activated should only take a few minutes to heat up.
 - Please put the heaters on upon arrival to ensure the hall is sufficiently warm for your needs.
 - Please turn the heating off before you vacate the building.
