

# A Taste for **MURDER**

You'll know their names but do you know their motives?

You will join a cast of colourful characters all set  
on dining with death!

When Mr Boddy asks Lady Peacock to be his bride the  
wedding breakfast turns to dead-over-dinner as the new  
vicar, Reverend Green, hears confessions.

Why does Miss White carry that cut-throat razor?

Where is Miss Scarlet?

And who betrayed Colonel Mustard?

This interactive case set at Waddingtons Hall will have  
you investigating the personal lives of the most famous  
suspects in history.
